Hydrafacials

Starting at \$150

The HydraFacial is a medical-grade resurfacing treatment that clears out your pores and hydrates your skin. Brighten, hydrate and GLOW! Get the best skin of your life with this noninvasive treatment.

Add Ons including wet diamond, LED mask, dermaplaning, perk eye and lip, or lymphatic drainage therapy!

Microneedling

\$299 || with PRP \$399

This treatment encourages collagen production and reduces the appearance of fine lines, wrinkles, acne, scars, and large pores. Using the finest needles, microneedling causes the release of your body's own growth factors, which are transported to the skin's surface. As a result, the skin is naturally stimulated to regenerate and produce new collagen, elastin, and hyaluronic acid. Improve overall skin firmness. Help tighten pores, Reduce the appearance of wrinkles and acne scars

Glycolic, Lactic, and Salicylic Acid Peels

\$165

Out with the old and in with the new! Chemical peels encourage cellular turnover and help to fade discoloration and balance skin texture! These are mild chemical peels used for the treatment of minor wrinkles, fades discolorations, balancing texture, and improving acne scars.

Neuromodulators

Xeomin \$11/unit

Dysport \$4/unit

Neuromodulators work by stilling the muscles under the skin to reduce wrinkles and decrease sweat production in various areas of the body.

Dermal Filler

Prices vary based on product.

Request a free consultation!

Dermal fillers restore, hydrate and increase volume in the face.

Sclerotherapy

Starting at \$30

Sclerotherapy is a medical procedure used to eliminate varicose veins and spider veins. Sclerotherapy involves an injection of a solution (generally a salt solution).
